This community service project will beautify the surroundings while bridging the Susan B. Anthony Neighborhood Association with next-door Neighbor United's residential neighborhood. This extends the "candy trail" of Brown Street's community flower gardens which stretches from Bulls Head (West Main & Genesee Streets) and onward to Jefferson Avenue. This will encourage visitor traffic to and from the Susan B. Anthony Preservation District, a key west side Rochester resource and attraction.

For more information or to donate flowers call John Curran at 747-2324.

Kathy & Mark Bianchi

Perennials, bush and tree donations welcomed.

Corner of Brown & Saxton Streets shown here during this summer's roadway, curbing & sidewalk improvements. Empty corner lot here is an invitation for dumping. A sidewalk edge garden facing both Brown and Saxton Streets will add beauty and turn area into a mini-park. *An ornamental flowering tree will be planted here.*

#1

Brown St.

Construction materials now removed.

Saxton St.

The New St. Monica's Blooming Optimist Reunion

Saturday, Nov. 18, 2006
10:30a.m. until 1:00p.m.

Meet at Brown & Saxton Sts.

(access Brown St. at Genesee St. intersection)

- Hot Lunch provided
- Tools & gloves available
- On-site port-a-john

Two job options (same area)

1. Garden work (digging, planting & trimming)
2. Uncovering 19th century brick roadway.

Brick roadway in Susan B. Anthony Preservation District. Remove vegetation from bricks. Pull out wild bushes and weeds from surrounding area.

EDITORIALS

Thumbs up, down

For the **St. Monica's "Blooming Optimists," Rochester Step-Off, Rochester Chinese Christian Church, Susan B. Anthony Neighborhood Association, Davey Tree & Landscaping, Country Way Garden Center, Aug's Roadside Stand and Monroe County** for installing a community floral garden on behalf of Neighborhood United, beautifying a drab railroad underpass at Brown Street and Jefferson Avenue on Oct 21.
