Diocesan Position

Concerns still need to be addressed:

1. Is the Parish firmly committed to outreach?
What is parish vision and goals relative to breadth of outreach?
2. Long-range decisions
 - a. Ministry needs for facilities
 - b. Determination for:
 - o school
 - o rectory
 - c. School

N. Y. S. Department of Youth
Dollars & Space (1st floor)
 - d. Rectory - N. Y. S. Department of Youth
Long-term lease or outright sale
 - e. Where do priests live in the interim if we use both floors of school and sell or long-term lease for rectory?
 - f. Do we build a new structure?
3. At this point, until these questions are thoroughly documented, the Diocese does not recommend to the parish that they initiate any new construction.
